

PRIX DE DIANE LONGINES
SUNDAY 13 JUNE 2021

CHANTILLY RACECOURSE

Inviting one's collaborators or clients to the Prix de Diane Longines, it's the absolute insurance to have them enjoy a unique moment in a fairytale-like setting. Since its creation in 1843, the Prix de Diane is both a horse racing monument and an elegance rendez-vous. Enjoy a dense programme rythmed by races and punctuated by numerous animations such as the Miss Diane Elegancy Contest organized by Longines or the Live Show of a famous French artist (Clara Luciani in 2019, Naive New Beaters in 2018...); all of this, by the gates of the Chantilly Castle and its Great Stables.
